SC TECHNICAL COLLEGE SYSTEM

STRATEGIC FOCUS PLAN 2022-2025

— Ensure the SC Technical College System remains a key pathway for social mobility, economic opportunity, and lifelong learning

— Ensure equitable educational access, completion, and placement for diverse, underrepresented, and under-resourced populations

— Foster inclusion on college campuses

— Establish initiatives that address critical workforce areas and the ongoing workforce shortage

— Amplify student voices at the state level

— Provide opportunities for cross-training between functional areas

— Contribute to the overall System mission, System pillars, and Division vision

ACADEMIC PARTNERSHIPS & ENGAGEMENT

SC TECHNICAL COLLEGE SYSTEM

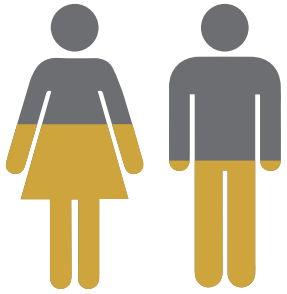
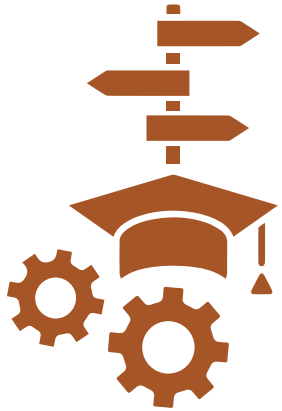
DUAL ENROLLMENT: HIGHLIGHTS

Dual enrollment offers eligible high school students the opportunity to enroll in college coursework to earn both high school and college credit. State scholarships and local partnerships make dual enrollment through the SC Technical College System affordable.

19,135
high schoolers dually enrolled in 2023-2024

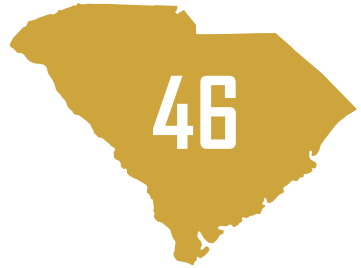


60% Female **40%** Male

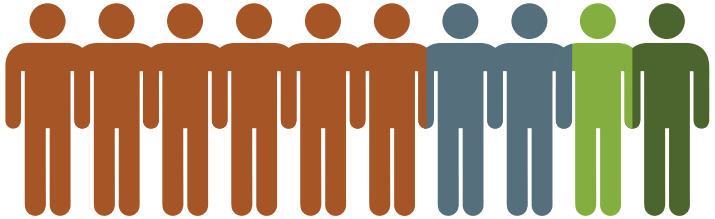


TOP MAJORS:

- General Technology (AAS)
- Associate in Arts
- Criminal Justice Technology (AAS)
- University Studies Certificate
- Associate in Science



All 46 counties have dual enrollment students



- **58%** White
- **22%** Black/African American
- **10%** Other
- **10%** Hispanic

TRANSFER: HIGHLIGHTS

The SC Technical College System offers the most accessible, affordable and relevant pathway to a four-year degree through guaranteed transfer partnerships.

South Carolina technical colleges are a **destination of choice** for students seeking to earn a bachelor's degree through transfer.

There are **22 systemwide transfer agreements** with 19 institutional partners creating direct pathways to four-year degrees for associate degree graduates from all 16 technical colleges within the System, regardless of geography.

The System aims to establish clear articulation agreements with our partners to ensure course alignment. Our goal is to provide a guaranteed pathway to all state four-year institutions for our Associate in Arts (AA) and Associate in Science (AS) graduates. For the 2023-2024 academic year, that's **2,908 graduates** across the System

Average annual tuition at a SC technical college is about **36% of the average annual tuition** at a four-year instituition.

TRANSFER: TRACK-RECORD SUCCESS WITH OUR PARTNERS
