

WORKFORCE SCHOLARSHIPS FOR THE FUTURE

SCHOLARSHIP DESCRIPTION

Tuition and required fees at the state's sixteen technical colleges will be covered for South Carolina residents (adults and recent high school graduates) enrolled in a high-demand field such as manufacturing, healthcare, computer science and information technology, transportation, distribution and logistics or construction.

PROPOSAL BENEFITS

Produces a highly skilled workforce for South Carolina business and industry.

Reduces the cost of higher education in the Palmetto State.

Lowers student loan debt for South Carolinians.

Increases the percentage of citizens with a certificate, diploma or degree to include recent high school graduates and adults.

Allows for tuition assistance in non-credit credential programs such as commercial truck driving and forklift operation.

Increases accessibility to higher education in the state by having a campus available within 30 minutes.

IMPLEMENTATION PLAN

Workforce Scholarships for the Future will cover tuition and required fees at the state's sixteen technical colleges for South Carolina residents enrolled in a high-demand field such as manufacturing, healthcare, computer science and information technology, transportation, distribution and logistics or construction. The scholarship will cover any tuition and required fees after applying all other scholarships or grants.

Who: All South Carolina citizens (adults and recent high school graduates) enrolled in a qualified program.

What: Funds will cover tuition and required fees at any one of South Carolina's 16 technical colleges through September 2023 until funds are exhausted. The scholarship will cover any tuition and required fees after applying all other scholarships or grants.

Student Responsibility

Credit-seeking students must maintain a 2.0 GPA. All participating students must complete one of the following requirements: 1) be employed, 2) take a financial literacy course offered at the technical college or 3) complete 100 hours of voluntary time contributing to a nonprofit or public service organization.
